Find out what the Neurobiology of Abuse tells us about behaviors and mental health disorders of children/adults who have been sexually, physically, and emotionally abused and neglected. Discover how trauma sets the stage for addictions such as porn and sexual addiction, and drug and alcohol addiction. Also find out the attachment disorders of abused children along with baffling behaviors of children and adults who have been abused along with the problems of dissociative disorders due to traumatic abuse and how dissociation is lined to Dissociative Identity Disorder (was multiple personality disorder).

The following professionals would benefit from the training: Drug and alcohol counselors, case managers, mental health counselors, social workers teachers and school counselors who work with children from traumatic homes.

*3 hours CPP/CPS (Sec. 1) CASAC Renewal, NYS OASAS & PCB Approved

*Credit hours for Credentialed Alcohol & Substance Abuse: Counselor (CASAC) Credentialed Prevention Professional (CPP). Credentialed Prevention Specialist (CPS). This course work is recognized and approved by the Pennsylvania Certification Board through reciprocity.

Registration Deadline: October 7, 2016
